Our Story

Monisha and reya,a couple passionate about nature,started a business called green heaven treasures in the small town of green valley.Inspired by the beauty of fall foliage,they developed unique methods to preserve leaves,maintaining their colors and shapes.Beginning with sales at local markets,their high-quality preserved leaves and custom arrangements gained popularity.

They expanded their offering to include online sales and leaf preservation services for sentimental keepsakes.Leafy treasure became a beloved brand,inspiring others to appreciate nature's simple wonders.Reya,excitement growing in his eyes."And we could offer services like leaf preservation and custom leaf arrangements for events and home decor!"
